

Green Chemistry & Circularity

Cross Border Match Making Event Germany – Netherlands

Business Angels Connect & Business Angels Agentur Ruhr e.V (BAAR)
Monday, October 12, from 03:00 pm to 05:00 pm, online via ZOOM

What can North Rhine-Westphalia offer Dutch Green Chemistry & Circularity startups and investors and vice versa?

An international selection of four Dutch and two German promising startups, focused on Green Chemistry & Circularity, will pitch their business ideas to investors.

Experienced investors in Green Chemistry & Circularity will showcase their investment strategies. On top of that they will give constructive feedback as members of the investor-expert panel to the pitching companies.

AGENDA

3:00 pm
